Inspiring women to develop an outward style to reveal their inner beauty!

Hello Beautiful Friend

I can't believe it is May already!

This year seems to be going by so fast! I was honored to be a Guest Speaker at the Hope Rising Ladies Retreat this past weekend. I love sharing the love of Jesus and how important He has been in my life to help me overcome obstacles along the way as well as help women learn tips and tricks to dress their very best in the colors and styles that are most flattering for them to feel more confident in who God created them to be.

It has been good to get back out and start speaking again after Covid restrictions and Cancer stood in my way for the past couple of years. I am so excited Ladies events are being scheduled again!

Is your church or organization planning an event?

If so, I would LOVE to be your Speaker!

It is a fun and interactive event that ladies always love attending! We have so much fun!!
