

DONNA ROLAND

Speaker & Stylist

She is clothed with strength and dignity; she can laugh at the days to come

Proverbs 31:25

Inspiring women to develop an outward style to reveal their inner beauty!

Happy Easter, Beautiful Friend!

Easter is my favorite day of the year! Oh how those ladies must have felt when they went to the tomb that first Easter morning! He is risen indeed and I am forever grateful! I wish each of you a very Blessed Easter Sunday! I recently wrote an article for the latest issue of *Christian Vogue Magazine* (I am their Fashion Contributor) and I thought I would share part of it with you this week.

One of the most iconic accessories of Easter fashion is the Easter hat. Wearing an Easter hat to church is a longstanding tradition that has been passed down through generations.

There are many types of Easter hats, from simple, understated designs to elaborate creations that are adorned with flowers, ribbons, and other decorative elements. Some of the most popular styles include wide-brimmed hats, fedoras, pillbox hats, and fascinators, which are small, decorative headpieces that are attached to a hair clip or headband.

Easter hats are also a way for women to express their personal style and showcase their creativity. It's important to choose a hat that is appropriate for the occasion. While bright colors and bold patterns are certainly in keeping with the spirit of Easter, it's important to avoid hats that are too distracting or attention-grabbing. A well-chosen hat should complement your outfit and enhance your overall look, without overshadowing it.

How to Choose?

When choosing an Easter hat, women typically consider their face shape, as well as their personal style. For example, women with round faces may choose a hat with a more angular shape, such as a fedora, to create a more balanced look. On the other hand, women with longer faces may opt for a hat with a wider brim or more volume to add some balance and fullness to their face. Additionally, the color of the hat should complement the wearer's skin tone, eye color, and hair color. Ultimately, the most important factor is that the woman feels confident and comfortable in her chosen Easter hat.

As for when hats for Easter became a thing, the tradition can be traced all the way back to the early days of Christianity. In medieval times, wearing a new hat on Easter Sunday was seen as a way to symbolize the renewal of the soul. Over time, the tradition evolved to include a wider variety of hats and styles, but the core idea of celebrating new beginnings and fresh starts remains at the heart of the Easter hat tradition to this day.

Be creative and confident and choose an Easter hat that compliments your fashion style! ***Will you be wearing a hat this Sunday?***

*From a heart filled with grace and veins
filled with glitter,
Donna*

P.S. Is your church or ladies organization planning an event? I would love to be your Guest Speaker! [Email](#) or call 865.599.6682
