## Hello Beautiful Friend!

Spring has finally arrived!! Even though it started with below average temperatures, it is beginning to finally feel like spring and I am so excited!! I hope you are enjoying seeing all the new trends in fashion I am sharing with you in these newsletters and are starting to find some of them in the stores and online. This week I am sharing the top trends in colors and patterns.

The bright citrus colors are everywhere! They are so pretty, and they are in all different shades so they can be worn by most everyone. Make sure to choose the shade/tone that best suits your personal coloring. Here are some examples of pink, green, yellow and orange.

Stay tuned for the latest in jewelry, shoes and handbags in upcoming emails!

And... I am currently booking for spring events (as well as the rest of 2023) and would love to be the Guest Speaker at your next ladies event! Just reply to this email and let's connect!

## Citrus Colors Everywhere!

## Popular Patterns!

Loud Artsy Prints, Wide Stripes, Wildflowers, Abstract and Geo Prints!
