## Happy May, Beautiful Friend!

I can't believe it is May already! My favorite month went by way too fast, but I enjoyed a great birthday with family last week. I am embracing every one now more than ever! This week we are talking accessory trends which is my favorite!

When I went to the doctor for my physical, she said I needed to "eat the right foods and exercise" ...Unfortunately, I heard her wrong and thought she said, "buy cute shoes and accessorize"! Accessories are where you can **really show your personal style and have fun with fashion**. Style Tip- Make sure the size of the jewelry is in direct proportion to your body frame size for the most flattering look!

Here are some of the top trends for jewelry this season:

I attended a Leadership luncheon yesterday and sat with Linda, one of my very favorite ladies! Her precious dog, Annie, goes everywhere she goes. I had to snap this picture of them to show you how Annie is always perfectly accessorized wherever she goes! I loved her pink sweater with pearls all over it to match her pearl necklace! I think Annie must read my newsletters! 😊
