Spring + Summer Trends!

Below are the other 6 of 10 top trends for the season!

Here are a few more I didn't highlight, but you may enjoy! **Column Skirts, Abstract and Geometric Prints, Drop-Waist Dresses, Voluminous Sleeves, Bomber Jackets**, and things with lots of **Texture**.

Denim is so popular it deserves an email all its own so be watching for my next newsletter for all the current styles!

Jumpsuits

These have been trending for a while and are still hot for spring in beautiful bright colors.

Preppy

Yes, it's back. Think Ralph Lauren

Sheer Details

Sheer tops are in but you will need to find just the right tank or cami for underneath or try sheer sleeves only.

Cutwork

This design is showing up in beautiful blouses as well as pants.

Tropical Flowers

The flower prints are very popular. Remember, to keep the size of the print in proportion to your frame size.

Lace

Lace has been very popular the past couple of seasons as things have become more feminine
