## Hello Beautiful Friend!

Spring is only 19 days away and I am so excited!! I hope you enjoyed seeing all the beautiful spring colors in my last newsletter and are starting to see them in the stores and online. Do you have a favorite yet? I am excited to start showing you some of the fun new Spring/Summer trends! Remember...just because it's *IN* style doesn't always mean it is *YOUR* style so choose a few that are great for your coloring, body shape and personality and leave the rest to the others. I would love to see which trends you try!

**But, before we dive into trends... there are TWO fantastic opportunities for you that end soon...**

# Spring + Summer Trends!

Below is a sneak peek... the top 4 of 10 trends for the season!

## Fitted Jackets

The oversized jackets that were so popular last season are out and the more fitted blazers are in.

## Cargos

We will be seeing pockets on pants, jeans and jackets everywhere.

## Short Suits

These are becoming very popular and if shorts are not for you, the pant suits are showing up in beautiful bright spring colors too.

## Wide leg

The skinny leg is out and wide leg is in. If the really wide leg is not for you, try a flare or bootcut (especially for you shorter women).
