Holiday Dressing!

Hello Beautiful Friend! It's the Most Wonderful Time of the Year! It's time for gathering with family and friends and celebrating all the holidays have to offer. It's time for work and social gatherings along with attending fun events and maybe even some travel. It's time for fun fashion and choosing just the right outfit for every occasion! Here are some suggestions for the upcoming Holiday Season I hope you enjoy!

Christmas Style...

December will be full of social gatherings with friends, family and business associates. It will be important to decide what to wear based on the type of event -so make sure you are dressing appropriately for the occasion. Even if it is just a fun night out with friends, this is the time of year when you can "glam it up" a little more with your accessories.

A trouser jean with a blazer or longer cardigan and cute shoes and accessories is a great combo for the more casual events. Or step it up a little with fun, trending faux leather pants and a cute top!

I love this red satin blazer from Cato's (only \$40!). You can really dress it up or wear it with jeans for more casual event. Here it is paired with jeans and then with a pair of black pants.

For your office parties it's a good idea to take it up a notch from your normal day to day office wear without going too formal or revealing. A dressy blouse and pants with bolder accessories is always a great choice. For more formal affairs, a great cocktail dress and heels is perfect. Remember, it doesn't always have to be black – a beautiful gold, silver, royal blue or red will be fabulous!

New Years Style...

This is the night to be extra glamorous and show off your beautiful style without showing off all your assets (wink- wink)! Find a dress or jumpsuit in one of your fabulous, best colors that will help you walk into any social gathering with confidence and style!

Enjoy this holiday season dressing in your very best to make your very own personal fashion statement and light up the room with amazing style and grace!

From a heart filled with grace and veins filled with glitter,
Donna
