Inspiring women to develop an outward style to reveal their inner beauty!

Hello Beautiful Friend!

I hope you are starting to see some of the fall fashion trends I shared last week in the stores or online for your shopping!

But wait, there's more!! I am including one example (with a link of where to purchase - just click on the picture) for each trend but feel free to google the trend and add fall 2024 to find more items!

I would love to [hear your feedback](#) on these trend newsletters I send out in the spring and fall! Do you like them? Do you like me posting an example along with a link to purchase? Also, what other content would you like to see in future newsletters? I value your feedback so much!!

Thanks!

Fall Trends!

Here's another 8 of the top trends for Fall 2024!

Wide Leg Pants

Regular length and cropped length too!

Ankle-Length Pants

These are always a favorite of mine. I feel they are flattering on most everyone!

Wraps & Capes

A fun way to stay warm and stylish without wearing a heavy coat!

Sweater Vest

These are a great layering piece to add to your fall wardrobe!

Barrel Pants

These are growing on me but certainly not a great look for everyone so proceed with caution.

Belts

Big bold belts are in but be cautious if you gain weight in the belly area to not decorate the fluff.

Deconstructed Suits

Usually has no lining and are not structured like we have been seeing.

Knit Cardigans

Cozy, comfortable and stylish!

Watch next week for fun JEWELRY trends!
