## Hello Beautiful Friend!

Happy October! Wow, where has this year gone?! I hope you are enjoying all the fun fashion this season and enjoying time with family and friends for campfires and football!

This week let's talk about footwear trends! Who doesn't love a new pair of shoes?! Did you know the average woman owns 40 pairs of shoes? I'm afraid I'm a little (or lot) above average on this one! How about you?

## Fall Footwear Trends!

### Platform Loafer

This one has been around for a while and still popular this season.

### Square-Toe Mule

We've been seeing the pointed toe mule most recently but now the square toe is trending.

### High Shaft Ankle Boot Pointy-Toe Sling Back

This is a fun one and very versatile!

This goes along with the very feminine look that is so popular this season.

## Bright Colored Trainers

If you're going to work out, you might as well do it in style!

## Knee-High Boot

This has been a favorite of mine in the past so I'm glad to see it back.

## Ballet Flat

Popular this spring and summer and it's sticking around for fall too.

## High Heel Sneakers!

The latest Sara Blakely invention! Not sure how popular this will be but I would love to try them!

## Watch next week for fun HANDBAG trends!
