Proverbs 31:25

Inspiring women to develop an outward style to reveal their inner beauty!

Hello Beautiful Friend!

I hope you have enjoyed all the fun fall trends I've shown you the past few weeks!

Do you have a favorite? Did you try something that was "out of the box" for you? I hope you always try those out of the box items every now and then because it's so easy to get stuck in a rut of choosing the same things all the time.

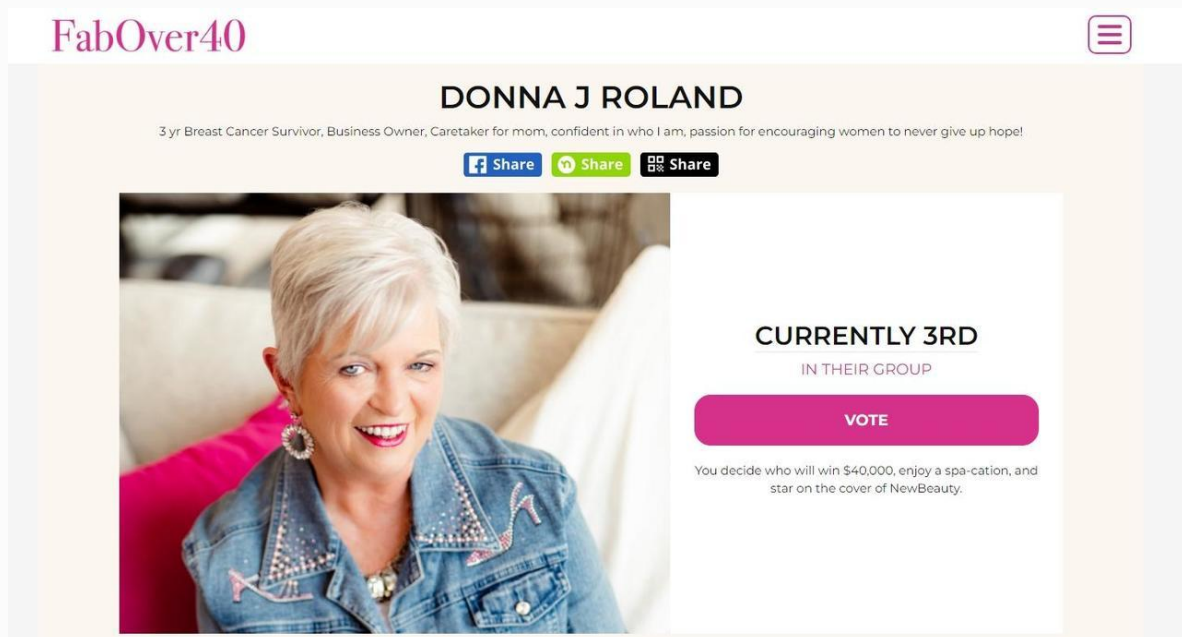

I know today is Halloween and I'm in for any excuse to eat candy but I'm just not a big fan of this holiday. So instead of showing you some great costume ideas, I thought I would share something I read last

month in one of my morning devotions that emphasizes your unique beauty behind any mask. It comes from the book "You Got This" by Melissa Horvath and I love what she said about each one of us being unique!

Look down at your thumbprint. No one else will ever have the same print as you! God made you unique just the way you are. There are days when we don't feel like we're good enough, but isn't it wonderful to think that we were each uniquely created by the One Most High? He planned for you specifically even before you were born! He knew you would have many wonderful accomplishments, along with not-so-good times. He made you different from everyone else on purpose.

Just think - He could have created a world where everyone looked and acted the same, but He didn't.

We have all been given different talents and special, unique characteristics. There was never anyone like you ever before, and there will never be again. God chose you to live now, in this time, in this season, and He has many great purposes for you. How awesome is that? As His child, you bring Him such joy!

The screenshot shows a social media profile for Donna J Roland. The profile name is "DONNA J ROLAND" in bold black text. Below the name is a bio: "3 yr Breast Cancer Survivor, Business Owner, Caretaker for mom, confident in who I am, passion for encouraging women to never give up hope!". There are three share buttons: Facebook, WhatsApp, and Email. To the left is a photo of Donna J Roland, a woman with short white hair, wearing a denim jacket and large hoop earrings, smiling. To the right of the photo is a white box with the text "CURRENTLY 3RD IN THEIR GROUP" and a pink "VOTE" button. Below the button is the text: "You decide who will win \$40,000, enjoy a spa-cation, and star on the cover of NewBeauty."

Can I ask a favor? I am honored to have been selected as a contestant in the New Beauty Magazine Fab Over 40 contest and help support the National Breast Cancer Foundation! I have made it to round 2 in my group and would appreciate your vote to continue to move on in the contest. You can vote free once each day. I would love your support!
